# Stanford | Pre-Collegiate International Institutes

## Bringing the World to Stanford

Stanford Pre-Collegiate International Institutes offers an exciting opportunity for schools and organizations from around the world to bring academically talented high school students to Stanford University for an engaging educational and multi-cultural experience.

### The Program

Motivated students who attend the Stanford Pre-Collegiate International Institutes will be intellectually challenged and will develop skills in problem solving, critical thinking, creativity, and innovation. The style of instruction is designed to foster a passion for intellectual pursuit and allows students to engage in a transformational educational experience.

Students have the opportunity to interact with peers from around the world for a culturally enriching experience. Past participants include groups from India, Japan, Kazakhstan, Chile, Peru, Turkey, Australia, Hong Kong, Singapore, China and the Navajo Nation.

### Opus Academy

In collaboration with Stanford Pre-Collegiate International Institutes, academically talented students are invited to join us this summer at Stanford University for a two-week introduction to American college life.

**DATES:** Session I June 25- July 7, 2018  
Session II July 10-22, 2018

**TUITION:** US \$6,500.00

The total cost of the program includes housing, meals, field trips, academic program, and airport transportation. It does not include airfare, visa, medical insurance, etc. The tuition also includes a two day non-residential Opus Academy Preparation Program in Manila prior to the Institute focusing on team building, cross-cultural communication, etiquette and leadership development.

### Key Opportunities

-  **Engage in Learning**  
Participate in interactive workshops led by expert instructors with a passion for teaching.
-  **Explore a Place of Innovation**  
Become immersed in the heart of Stanford and explore Silicon Valley and the Bay Area.
-  **Make Friends from Around the World**  
Meet peers from different countries and join them in fun social activities.
-  **Experience American College Life**  
Engage in the Stanford experience and learn about the U.S. college admission process.

### Selection & Eligibility

Admission is selective. Students will be chosen based on:

- Academic talent
- Motivation for learning
- English proficiency
- Maturity level (target age range is 14 - 17)
- Additional requirements: current and previous year's report cards, teacher's recommendation letter, standardized test scores, interview.
